7350 · Incline Bench 60°

INSTALLATION MANUAL

Before Installation

Before You Start

01 Read this manual before installation and confirm that all components are present and undamaged.

02 If any part is missing or damaged, contact customer service before assembly.

03 Use more than two people for assembly.

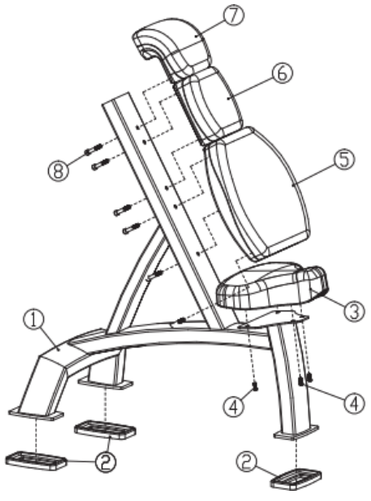

Tools Required

- Rubber Mallet
- Spirit Level
- Hex Keys
- Snap-Ring Pliers
- Adjustable Wrench
- 2 People

Assembly Notes

Before use, understand all product functions. If a problem occurs, recheck the installation steps. If the problem remains, contact an authorized distributor and have the product code and manual ready.

Assembly

STEP 1

ACTION

Install the three long arc foot pads (#2) on the body frame (#1). Install the seat pad (#3) with four #4 screws. Install the back pad (#5), middle back pad (#6), and head pad (#7) with five #8 screws. Tighten all fasteners securely with a wrench.

HARDWARE

- Hex socket button head screw (M8×20) (#4) × 4
- Hex socket head cap screw (M10×50) (#8) × 5

FINAL CHECK

01 Important Notification: After assembly, make sure the machine is square and vertical. Use a spirit level to check that the guide bar is perpendicular in both directions.

02 If the guide bar is not perpendicular, loosen the relevant vertical-frame hardware, realign the frame, and retighten the bolts.

Parts List

Some preassembled parts are not included in this list.

NO.	PART / SPECIFICATION	QTY
1	Body frame	1
2	Long arc foot pad	3
3	Seat pad	1
4	Hex socket button head screw (M8×20)	4
5	Back pad	1
